# JOB OPPORTUNITIES FOR ALL

As a food manufacturing company, we offer a wide range of jobs. We welcome employees looking for part time work, full time work, and those looking to learn a new trade or skill. Entry level positions do not require experience; we do the training on site!

If a job requires certifications, we are able to provide in-house training and certification when needed. In addition, we provide ongoing education in food safety and workplace safety to all employees.

There is always opportunity to advance in our company. Many of our Managers began as entry level employees and advanced to a Management position.

## LA TAPATIA

Our La Tapatia brand epitomizes generations of artisanal craftsmanship, delivering the authentic taste of traditional homemade tortillas that have been cherished since 1969.

## SOL DE ORO

Our Sol de Oro brand, designed for the Northern California market, embodies the same artisanal craftsmanship along with additional products, offering the authentic taste of homemade tortillas since 1969.

## GOLDEN SUN

Golden Sun offers delicious tortilla products with "better for you" ingredients, perfect for any occasion, showcasing our commitment to quality and taste.

# ABOUT US

Founded in 1969, we are a family company, owned and operated by Helen Hansen and her four daughters.

Our full product line includes corn & flour tortillas, tortilla chips, wraps, flavored wraps, tostadas, and teleras.

Made with premium ingredients that are locally sourced in California's Central Valley.
